**Not the usual scenarios of every day life ...**

***The Hard Road***

**Antony Muia -**

Antony Muia's art has always dealt with the hidden aspects of domestic life. His ambiguous figures seem to be involved in sinister affairs or show unusual perspectives of family life - but the artist is never giving away the story.

Antony loves the risk and edginess of drawing . He uses vibrant water colour washes, gold leaf, chalk , pencil, oil pastel and masking fluid to create his distinctive mixed media works .

Antony Muia has exhibited regularly in Perth and the Eastern States since 1990. His work is held in major public collections, including the Art Gallery of WA and private collections including the Kerry Stokes collection. **In 2008 he was a finalist in the Dobell Prize for Drawing at the Art Gallery of NSW.**
